A photograph of two Boston Red Sox players standing on a rooftop or balcony at night. The player on the left is wearing a dark Red Sox jersey with "RED SOX" in white lettering, white pants, and a dark cap with a red "B". He is smiling and holding a brown leather baseball glove. The player on the right is also wearing a dark Red Sox jersey, white pants, and a dark cap with a red "B". He has a mustache and is smiling, also holding a brown leather baseball glove. The background is a dark blue sky with some structural elements of the building visible.

HONOR ROLL

The Rookie of the Year... The MVP ... The Cy Young.

These three awards rank at the top of Major League Baseball's list of most-coveted honors. Voted on annually by the Baseball Writers Association of America, each is emblematic of excellence. Win one during a career, and a player's name is eternally linked with the game's all-time greats.

The 1998 Boston Red Sox, remarkably, field an honor roll of five individuals — each of whom has won one or more of these three awards.

The players — grouped left to right on the front cover photo — are:

NOMAR GARCIAPARRA

who turned in a stellar 1997 Red Sox freshman season to win — unanimously — the American League Rookie of the Year Award

MO VAUGHN

who led the Red Sox to the 1995 AL Eastern Division Championship to win the American League Most Valuable Player Award

PEDRO MARTINEZ

who sparkled on the mound for his 1997 Montreal Expos team to win the National League Cy Young Award

BRET SABERHAGEN

who fashioned stellar seasons for the 1985 and 1989 Kansas City Royals to win — both years — the American League Cy Young Award

DENNIS ECKERSLEY

who pitched his 1992 Oakland A's team into the post-season to win both the American League Most Valuable Player Award and the American League Cy Young Award

**Think serious sports sedan.
With a fanny pack.**

Think genuine German road rocket. With a space booster. A fusion of room and vroom. It's the have-your-cake-and-eat-the-road-too Audi **A4 AVANT**. With the adrenaline boost of a

5-speed Tiptronic[®]  that lets you cruise in automatic or shift away for higher performance,

this car is more than a pretty poser. It's a real player. With all the right moves. Totally buffed, bulging in all the

right places and bursting with energy, its 190 hp, 30-valve V6 begs you to get on with it. Go. Now.

Anywhere, anytime. The way we see it, you're growing up, not old. The outrageously inclusive Audi A4 Avant,

from \$30,965.* A road-swallowing, gear-gobbling sports sedan with a difference. A big one.

Thoroughly Teutonic. With a tantalizing twist. Get ready for the ride of your life.[®]

Just because

you live on a

quiet street doesn't

mean there can't be

a little drama.

First impressions, they say, are everything. With that in mind, perhaps it's time you turned your attention toward your outside lighting. After all, just a few strategically placed halogen

Post Lights can make your home a bit more dramatic, and your neighbors a bit more envious. So call 1-800-Light-Bulb, and learn how to make that first impression, a lasting one.

Mo Vaughns' 1998 "Hit Dog Homers Program" to Benefit The Boys and Girls Clubs of Boston

For every home run he hits during the 1998 Red Sox season, Mo Vaughn will once again donate \$2,000 to the Boys and Girls Clubs of Boston with his "Hit Dog Homers" program.

In any event, Mo will make a sizable donation, up to the \$100,000 plateau.

Each quarter a check will be issued to the Boys and Girls Clubs of Boston from Mo, based on his home run production during that time period. The Boys and Girls Clubs of Boston will utilize the funds generated to sponsor events and functions for youngsters in the Boston area.

"Last year the Boys and Girls Clubs of Boston helped numerous children in the Greater Boston area. This year, with your support, they are hopeful to help even more. But they can't do it alone. I am asking you to help these youth by also participating in the "Hit Dog Homers" contest. For every home run that I hit this year, I am going to make a donation. I would like you to make that same commitment. Please consider donating \$1.00, \$5.00, or any other amount for every home run I hit."

Donations can be made to the Boys and Girls Clubs of Boston at:

Boys and Girls Clubs of Boston
50 Congress Street, Suite 730
Boston, MA 02109

Quarterly checks to the Boys and Girls Clubs resulting from the "Hit Dog Homers" contest will be issued from Mark Gillon Enterprises of Fair Oaks, California on behalf of Mo Vaughn.

HONOR ROLL CHECKPOINTS

- ✓ The Rookie of the Year award was initiated in 1947, and is voted on by the Baseball Writers Association of America (BBWAA). One award winner for the combined major leagues was selected the first two years; separate selections for each league began in 1949.
- ✓ The Most Valuable Player (MVP) for the American League began in 1922 (the NL MVP began in 1924). The selection process in both leagues was originally by special committee. For uncertain reasons, no AL MVP was chosen in 1929, and none in either league was chosen in 1930. In 1931, the BBWAA assumed responsibility for voting. [A precursor to the MVP, the Chalmers Award, was presented from 1911-1914 to the most outstanding player in each league.]
- ✓ From 1929-1945, The Sporting News had its own award — also called the Most Valuable Player. In 1944-1945, The Sporting News awarded both an MVP and Player of the Year.
- ✓ The Cy Young Award was instituted in 1956 to recognize the best pitcher in baseball. Voted on by the BBWAA, one award winner for the combined major leagues was selected through 1966. Starting in 1967, the top pitcher in each league was awarded the honor.
- ✓ The Rawlings Gold Glove Award®, symbolic of fielding excellence, was introduced in 1957. In that first season, Rawlings recognized a combined team from both leagues. Awards were presented to players in each league starting in 1958. In 1965, the voting body became managers and coaches — who may not select players from their own clubs. Award recipients are not necessarily players with the highest fielding percentage at their positions.
- ✓ The Silver Slugger Award — initiated in 1980 by Hellerich & Bradsby and chosen by The Sporting News — goes to the player deemed to be the top hitter at each position in each league. There is no differentiation among the outfield positions.
- ✓ The All Star Game Most Valuable Player was instituted in 1962.
- ✓ The Hutch Award, was instituted in 1965 and is sponsored by the Fred Hutchinson Cancer Research Center in Seattle. It honors the late major league pitcher and manager Fred Hutchinson.
- ✓ The Fireman of the Year was instituted in 1960 by The Sporting News to recognize the most effective relief pitcher in each league.
- ✓ The Topps Rookie All Star Team was instituted in 1959 and is voted on by the respective league managers.

RED SOX AFFIRMATIVE ACTION POLICY

The Red Sox will not discriminate against any employee or applicant because of race, religion, color, sex, age, national origin, or ancestry. The Red Sox will take affirmative action to insure that such individuals are treated during their employment without regard to race, religion, color, sex, age, national origin, or ancestry. Such action shall include but not be limited to the following: hiring, upgrading, demotion, transfer, recruitment, layoff, rates of pay, all other forms of compensation, and selection for training.

- Personnel procedures and practices with regard to training, promotion, transfer, compensation, demotion, layoff, or termination are to be administered with due regard to job performance, experience and qualifications, but without discrimination because of race, color, religion, sex, age, national origin, or ancestry.
- It is the policy of the Red Sox that, in the process of recruitment for and appointment to the work force, qualified minority group candidates will be encouraged to apply.
- The Red Sox will not discriminate against any rehabilitated employee or applicant because of previous psychiatric treatment and/or confinement in a mental health facility. Employment will not be denied for such medical history unless there is a bona fide occupational qualification which precludes employment.
- Additionally, the Red Sox will not discriminate against any rehabilitated employee or applicant for employment because of physical handicap unless there is a bona fide occupational qualification which precludes employment.
- The Red Sox will not discriminate against qualified minority-owned vendors and suppliers, including suppliers of both professional and non-professional services. The Red Sox will request that its vendors and suppliers submit assurance of their commitments to the goal of equal employment opportunity. The Red Sox will not discriminate in the leasing of commercial space.
- Any Red Sox employee judged to be in willful and deliberate non-compliance with this equal opportunity policy will be subject to disciplinary action.

REMEMBER WHAT IT WAS LIKE TO HAVE SOMEONE YOU COULD COUNT ON?

You can again.

There's a reason why Data General survives in a land of computing giants. We do things no one else will do for you when it comes to enterprise NT. Like deliver NT Cluster-in-a-Box™ – already configured, tested, and ready to run. And provide superior integration and implementation services.

Our customers say the main reason they buy from us is the value they get from our personal contact and our willingness to be there when they need us.

They also really love our scalable, high-performance, high-availability AViiON servers, like the AV 8600 based on Intel Pentium[®] Pro processors. And they say our CLARiiON RAID storage is the best around. Add top-notch service and support, and you can see why our customers say we're their ideal choice for Enterprise NT solutions.
